Close, convenient parking is a snap at McKenzie Arena. For our patrons, lots 7, 32, 33 and 34 are surface lots for personal vehicles, including RV's. Lot 31 is a parking garage with 5 total levels for personal vehicles (no RV's). Lot 20 is our handicap and Gold Circle parking.

For show personnel, lot 34 is normally reserved for show trucks and tractor trailers. Lot 35 is reserved for show techs and performer's buses (land lines are available). These do vary from show to show so be sure to check with the box office or our technical staff for your needs. The ramp into the arena is on Mabel Street, just past Gate 1.
